

SPRAY RECORD APPLICATION FOR GRAZON EXTRA GUARANTEE

Fill in the form below to register your spray jobs. When you apply for the Grazon Guarantee, a Dow AgroSciences technical specialist will check your job and finalise your application.

The information used on the form remains your property. It will be stored on the Woody Weed Specialists server as record of guarantee. Dow AgroSciences will only access this data if a guarantee claim is made.

For your convenience, you can use this section to register all your spray jobs, whether you are seeking a Grazon Extra Guarantee or not.

Location and date of application

Product	Rate/100L Water
<input type="text"/>	<input type="text"/>

Additional Comments - Please enter any additional relevant product or equipment information.

**How do I apply for a Grazon™ Extra Guarantee?**

Fill out the form provided and send to:

PO Box 1154  
North Sydney NSW 2060  
Fax: 02 99298535

The application will then be reviewed for compliance with the high volume label rate, as well as the timing and application methods.

For every 100L of Grazon Extra used in your spray applications, you are eligible to receive a \$100 Free Fuel voucher\*.

**How do I claim on my guarantee?**

Should Grazon Extra not provide greater than 90% control after 2 years time if applied with high volume foliar spray at the label rate in the right conditions, contact your local Dow AgroSciences rep. An inspection of the property will then be undertaken to assess conditions of application.
